MATIFIC - MATHEMATICS APP

This app is open for Grade R to Grade 9 learners!

The advertisement for the Matific Maths App is framed by a border of colorful math-related icons including a plus sign, minus sign, multiplication sign, division sign, a calculator, a ruler, a protractor, and a pencil. At the top, the word 'Matific' is written in a large, elegant script font, with 'MATHS APP' in a bold, blocky font below it. A cartoon character with a large head and a friendly expression is visible in the top right corner. The main text in the center reads: 'It is with great excitement that we share the news that the school has the amazing Matific Mathematics interactive app available for each learner. This is in preparation for their Maths Olympiad later in the year as well as extra reinforcement. It is an app that is on a smartphone, tablet or any computer can be "played". We used this App last year and the learners loved it!'. Below this, it says: 'Each learner will receive a "barcode" from their educators with the login details. Please don't miss the opportunity to enrich your child's mind and let him/her discover Mathematics in a fun way. If you have any queries, feel free to contact your class teacher (Gr.1-3) or your child's Mathematics teacher (Gr. 4-7). Enjoy it because, Mathematics is awesome!'. At the bottom, there is a row of cartoon characters and a yellow spiral notebook with the word 'MATH' on it.
