MATIFIC - MATHEMATICS APP

This app is open for Grade R to Grade 9 learners!

Matific
MATHS APP

It is with great excitement that we share the news that the school has the amazing Matific Mathematics interactive app available for each learner. This is in preparation for their Maths Olympiad later in the year as well as extra reinforcement. It is an app that is on a smartphone, tablet or any computer can be "played". We used this App last year and the learners loved it!

Each learner will receive a "barcode" from their educators with the login details. Please don't miss the opportunity to enrich your child's mind and let him/her discover Mathematics in a fun way.

If you have any queries, feel free to contact your class teacher (Gr.1-3) or your child's Mathematics teacher (Gr. 4-7). Enjoy it because, Mathematics is awesome!

HOW YOU CAN HELP

- TIME**
 Donate your time to family-focused roles, hands-dirty roles, or admin roles to make a positive difference in families' lives.
 Attend an event organised by us or our supporters to show your support. Learn about our work and have fun!
 Become a safety parent or foster parent to a child in need.
- TREASURE**
 Join the Badisa West Coast Donors Club by donating monthly or give a once-off donation to support our vital work.
 Please help our children heal emotionally and psychologically by donating to our specialist therapy fund. Keep an eye on our Facebook page. We regularly post the need we have for food, clothes, and toiletries for specific cases.
 Adopt or partially adopt a project at a school by contributing towards financing our special intervention program at local primary schools.
- TALENT**
 If you are skilled or have a talent and can assist us with the organisation of our projects, we would love to talk to you. There is a great need for therapists and counselors who can offer their services for free.
 If you have technical skills and time at your disposal, please help us with the maintenance of our buildings and cars.
