MATIFIC – WISKUNDE TOEP

Hierdie toep is oop vir Graad R tot Graad 9 leerders!

The advertisement for the 'Matific MATHS APP' is framed by a border of colorful math-related icons like plus, minus, multiply, divide, and a calculator. At the top, the word 'Matific' is in a cursive font, followed by 'MATHS APP' in a bold, blocky font. The main text describes the app as an interactive mathematics tool for learners from Grade R to Grade 9, highlighting its use for Olympiad preparation and extra reinforcement. It mentions that the app is available on smartphones, tablets, and computers. A paragraph states that each learner will receive a 'barcode' from their educator with login details and encourages parents to let their child discover mathematics in a fun way. It also provides contact information for class teachers (Gr. 1-3) or mathematics teachers (Gr. 4-7) for any queries. The bottom of the ad features a row of cartoon characters and a yellow spiral notebook with 'MATH' written on it.

Matific
MATHS APP

It is with great excitement that we share the news that the school has the amazing Matific Mathematics interactive app available for each learner. This is in preparation for their Maths Olympiad later in the year as well as extra reinforcement. It is an app that is on a smartphone, tablet or any computer can be "played". We used this App last year and the learners loved it!

Each learner will receive a "barcode" from their educators with the login details. Please don't miss the opportunity to enrich your child's mind and let him/her discover Mathematics in a fun way.

If you have any queries, feel free to contact your class teacher (Gr.1-3) or your child's Mathematics teacher (Gr. 4-7). Enjoy it because, Mathematics is awesome!
