WHO WE ARE

Badisa West Coast is a program of Badisa, a Non-Profit and Public Benefit Welfare Organisation providing services in the Western Cape in partnership with various stakeholders, including the local and provincial government, the corporate sector, and other non-profit organisations.

Badisa West Coast is the largest child and family care organisation in the West Coast and delivers a continuum of services to protect children and strengthen family life. We have a service level agreement with the Department of Social Development in the Western Cape, which stipulates the services that will be rendered by our program.
