## MATIFIC - MATHEMATICS APP

**Matific**  
**MATHS APP**

It is with great excitement that we share the news that the school has the amazing Matific Mathematics interactive app available for each learner. This is in preparation for their Maths Olympiad later in the year as well as extra reinforcement. It is an app that is on a smartphone, tablet or any computer can be "played". We used this App last year and the learners loved it!

Each learner will receive a "barcode" from their educators with the login details. Please don't miss the opportunity to enrich your child's mind and let him/her discover Mathematics in a fun way.

If you have any queries, feel free to contact your class teacher (Gr.1-3) or your child's Mathematics teacher (Gr. 4-7). Enjoy it because, Mathematics is awesome!

The advertisement is framed by various math-related icons: a calculator, a ruler, a protractor, a compass, and a pencil case. At the bottom, there is a group of colorful cartoon characters.
