All Grade 8-12 parents are invited to fetch their child's report card on the 23rd of March between 14:15 – 17:00. This time can also be used to have a brief discussion with the various educators. Alternatively, the learners will receive their report the following day when school closes.

As you are aware the world has a measles outbreak. Unfortunately, the measles outbreak has reached Langebaan. We ask that you are vigilant in this regard. We recently had a visit from the health department and some of our learners got vaccinated with the booster measles vaccine.

These vaccines are available at various places in the west-Coast.

Kind regards
Mr Edmund Barkhuysen
