### SUMMER UNIFORM – LEARNERS WILL ONLY BE PERMITTED TO WEAR SUMMER UNIFORM FROM TERM 4

The LAPS teachers concluded the winter sports program with a netball game against Curro's teachers. We extend our gratitude for the support we received from you all next to the court. The test series is currently underway, and we kindly request your assistance in guiding your learners with effective time management and providing them with support. A heartfelt congratulations is in order for all our learners who have been recognized as prize winners during the Wes-Boland Eisteddfod. You all bring us immense pride.

## Clothing Bank

The Clothing Bank will temporarily close as we transition to a new supplier and await the arrival of our new clothing stock. Our school was established in 2013, and we believe it's time for a fresh approach to our school uniform. These changes will be introduced gradually over the next five years, with the new supplier crafting our updated clothing line. Our aim is to create a unique clothing range that reflects our school's identity, and we hope you will appreciate these changes.

To address uniform compliance issues, we will be sharing visual guides outlining the school's clothing regulations. These images will be distributed as newsflash updates to ensure that both parents and students have a clear understanding of what is permitted in terms of the school uniform.
