The examination has started, and we believe that it will go well. Preparation is the most important part! Galatians 6:7

Winter has arrived early this year, please look after yourself as this is an important examination and attendance will be beneficial.

Verse Concepts: Galatians 6:7

Do not be deceived, God is not mocked; for whatever a man sows, this he will also reap.

Thank you for all the prayers. Geo is doing much better, and we ask you to keep praying for the family. Please follow his story on Facebook. (BackaBuddy)

Clothing Bank

The clothing bank will be open on **Tuesdays from 13:00 – 15:00**

RAFFLE

Various parents have asked if we can extend the due date of the raffle tickets as May was a very busy month. After consultation with various stakeholders, we have decided to extend the due date to the 21st of July. It is a fundraiser for our matric farewell. The first prize is a PS 5. Let's see who the lucky ones are. There will be lucky draws again for the learners that completed their forms. Every full form will be entered in the draw. Good luck to you all!

Parents! We need your help!

Readers and Scribes!

Update

Course date: 20 July 2023

Course fee: Free of charge

We currently have a shortage of qualified Readers and Scribes in the West Coast. We are struggling to get our learners the help they need and deserve.

What does a reader and scribe do?

A reader and scribe is someone that assists a learner during an assessment. Some learners require their assessments read to them, others require someone to write the assessment for them.

What qualifications do you need?

You must be able to read well and write eligibly. Patience will also be needed. The Department of Education has a free course that must be completed to receive the necessary certificate that allows you to accommodate these learners.

We are asking all parents/guardians who are interested or have any questions to please e-mail Ms. Ilzé Cloete. icloete@lapshigh.com

Both Afrikaans and English-speaking readers and scribes are needed.

Please help us, help our learners!

SPORT TERM 2

The sports program for term 3 is being finalised and will be sent out ASAP.

Mathematics!

Matific MATHS APP

Every learner will receive a free trial period on the amazing Matific Mathematics interactive App. This is in preparation for their Maths Olympiad later in the year.

It is an interactive "game" that can be "played" on a smartphone, tablet or any computer. A few of the older learners tried it at the end of last year and loved it.

Each learner will receive a "barcode" from their educators with the login details. Please don't miss the opportunity to enrich your child's mind and let him/her discover Mathematics in a fun way.

If you have any queries, feel free to contact your class teacher (Gr.1-3) or your child's Mathematics teacher (Gr. 4-7).

Enjoy it because, Maths is awesome!
