Clothing Bank

The Clothing Bank will temporarily close as we transition to a new supplier and await the arrival of our new clothing stock. Our school was established in 2013, and we believe it's time for a fresh approach to our school uniform. These changes will be introduced gradually over the next five years, with the new supplier crafting our updated clothing line. Our aim is to create a unique clothing range that reflects our school's identity, and we hope you will appreciate these changes.

To address uniform compliance issues, we will be sharing visual guides outlining the school's clothing regulations. These images will be distributed as newsflash updates to ensure that both parents and students have a clear understanding of what is permitted in terms of the school uniform.
